Slubb USA to including Samples of Pulse Silicon Lube Aloe-ahh in packaging

Bellevue, WA— 5/24/2022 —Today, Slubb USA announced immediate availability of Aloe-ahh, the Pulse Silicone Gel by Pulse, enabling purchasers of Slubb to experience the superior silicone lube Aloe-ahh when they open the box. Slubb USA, is the US distribution company of Slubb Store, of Germany, founded in 2019. “Our product, available for purchase on slubb-usa.com, requires silicone lube for safe use, and a high-quality product with Aloe and Vitamin E that offers long lasting lubrication is ideal for the user to enjoy a truly wonderful vibrational experience.”

“We are very excited to offer our customers an innovative and superior product like the FDA cleared, medical grade silicone personal lubricant, Aloe-ahh by Pulse,” said Neil Chasan, CEO. Slubb USA announced immediate availability of Aloe-ahh, the Pulse Silicone Gel by Pulse, enabling purchasers of Slubb to experience the superior silicone lube Aloe-ahh when they open the box. Slubb USA, is the US distribution company of Slubb Store, of Germany, founded in 2019. “Our product, available for purchase on slubb-usa.com, requires silicone lube for safe use, and a high-quality product with Aloe and Vitamin E that offers long lasting lubrication is ideal for the user to enjoy a truly wonderful vibrational experience.”

Positive Customer Impact

This is a natural collaboration, said Chasan, Pulse has a wonderful delivery system, and a high-class lube, and our product, Slubb, needs silicone lube for safe play, it’s only logical that we include lube in the package, and with Pulse, we have a natural symbiosis. Our customers are going to be much happier as a result of this cooperative effort with Pulse.

Aloe-ahh, the Pulse Silicone Gel Availability

Aloe-ahh, the Pulse Silicone Gel is able to be dispensed without the Pulse Warming System, but gently warmed touchless dispensing would make the experience so much more enjoyable for the user, and Pulse agrees, so they are kindly including a coupon with the gel to make the Pulse Warming System available to Slubb customers at a discount.

Founded in 2022, Slubb USA announced immediate availability of Aloe-ahh, the Pulse Silicone Gel by Pulse, enabling purchasers of Slubb to experience the superior silicone lube Aloe-ahh when they open the box. Slubb USA, is the US distribution company of Slubb Store, of Germany, founded in 2019. “Our product, available for purchase on slubb-usa.com, requires silicone lube for safe use, and a high-quality product with Aloe and Vitamin E that offers long lasting lubrication is ideal for the user to enjoy a truly wonderful vibrational experience.” Slubb is the world’s most powerful handheld cordless vibrator for men and women.
